

Mornington Golf Club Inc

WOMEN'S DIVISION

3 AUGUST 2015

NEWS

We are all missing Deb and hope she is enjoying life in Sydney.

Some of the Special Olympic Bocce team that belong to the club have won Bronze at the games in America.

Next Sunday at 1pm they will be at the club along with the mayor, television and newspapers. Put on your best lipply and smile ☺

Millie may not be winning any golf balls or vouchers but she has now won a meat pack 5 weeks in a row. Keep that up and it will be summer BBQ's at her place.

PROFILE- WHO'S WHO @ MORNINGTON

GEOFF SLATER – MEMBER

How long have you been a member @ MGC – Gosh a long time, about 30 years.
Part of the furniture now !

Some personal stuff There is a Mrs Geoff, the lovely Janet who we see at functions like quiz nights and race days. They have two children and two grandchildren who are not yet showing an interest in golf. One is into athletics and the other basketball. Geoff is a self employed electrician. Being his own boss means he can give himself time off to play golf. He says he never wins anything, a common saying heard from him in the clubrooms. But I think he is having us on. I've seen him with the odd trophy and meat pack.

What is your most exciting/memorable golf shot ? While yet to have a hole in one he considers one of his memorable shots to be on the 17th. After a bad drive into the rough he got out of it with a great shot onto the green one foot from the hole. Putted it in for a birdie. Lucky the ladies weren't there to make him do the birdie dance 😊

What do you think about the resurgence of Mornington Women's golf. He welcomes the women into the club and would like to see their numbers grow. It's a great thing for the club.

Any advice for us? Keep doing what we are doing and continue to encourage more ladies (and men) to join the club.
